Date: 5 July 2022

Dear Governors, Parents and Staff

We are writing to update you following a meeting of the Advisory Board to the Regional Schools Commissioner on 4 July 2022. The decision of the Board of Trustees of Southernly Point was discussed and was approved by the Regional Schools Commissioner. Consequently, work to move the schools in the trust to three other Multi Academy Trusts, based in Cornwall, will now begin. The trusts are Aspire Academy Trust, Crofty Multi Academy Trust, and the Truro and Penwith Academy Trust. The distribution of schools to the trusts is shown below. It is intended that work on the transfers will complete towards the end of this calendar year with a formal transfer date early in 2023. This follows earlier work which will see Crowan and Wendron Primary schools transfer over the summer to Aspire Academy Trust and Kernow Learning Academy Trust.

We would like to thank governors, staff, school leaders and parents for attending the stakeholder events over the last few weeks. The time given, and the quality of questions asked by each group was appreciated by both Southernly Point Trustees and Department for Education colleagues. We will be in contact with further updates as we near the dates of transfer. In the meantime, the schools remain the responsibility of Southernly Point Co-operative Multi-Academy Trust and we will be continuing our work to support our education communities, working alongside the incoming trusts.

Yours sincerely

Will Smith                      and                      Mark Blackman  
Chair of Trustees                                      Interim CEO
