

Friday 15th January 2021

Thanks for all your hard work supporting your child with their home learning. Currently in KS2 87.5% of the class have actively made a start to engaging regularly in the remote learning process and in KS1, 90% are engaging regularly. Let's continue to work together to improve these percentages and more importantly ensure your child is continuing to learn and progress.

Breakfast Club Spring 2021 Update

The recruitment process for the Breakfast Club provision for the Spring term 2021 is still incomplete. We are endeavouring to get this up and running as quickly as possible, and will keep you informed as to any updates.

Sorry for any inconvenience caused.

Many thanks

FREE SCHOOL MEALS:

You may have seen information about the free school meal provision provided by Chartwells. We thought you would be interested in seeing a hamper sent out to a local primary school by their staff.

Please note: The Southerly Point Co-operative Trust have been issuing vouchers to the families in our schools and not food hampers.

Next week's lunch menu is WEEK 1
(Please note there is a new 'lock-down' menu on the website)

Breaktime Snack

We are not currently receiving our fruit delivery in school because of the new lockdown restrictions. Would you please send in a piece of fruit with your child which they can eat at break time. Thank you.

Concerns

If you have any questions or concerns about anything at school, in the first instance it is best to discuss this with your child's class teacher in class one or the Assistant Head Teacher, Claude Martin, who are both usually in school every day. Or alternatively you can contact Lisa Newberry at the following email address:

head@st-keverne.cornwall.sch.uk

We would encourage you please to email staff during the week, Monday to Friday, between the hours of 8am and 5.30pm. Thank you.
